

Seminar/ Workshops in 2022-23

1. Seminar on “Research Methodology and Project Report Writing

One-day Seminar organized on "Research Methodology and Project Report Writing" at the Department of Economics, Karmaveer Ramraoji Aher College Deola, Nashik. Principal Hitendra Aher was the chairperson of this Seminar. According to the New Educational Policy and curriculum changes, teachers and students should get a detailed understanding of the research methods. Principal Aher urged them to always move towards innovation and also motivate to participate in research festivals like the invention of the university. Dr. Jaywant Bhadane, Academic Research Coordinator and Head, Department of Economics, introduced the college and the speakers by explaining the role of the seminar. There is a project report for each subject as per the changed syllabus today. However, students are confused because they do not know the research method. For this, the need for a seminar was presented.

Keynote Speaker, (H.P.T. The Director and Guide economics research center) Prof. Dr. Vijay kumar Wavale, gave detailed information about the research process. How to do research, its conclusions are good only if it is done in a scientific manner. Therefore, the research methods and processes should be well understood. The research process is the core of the subject. He described the types of research such as Statistical research, Qualitative research, Basic research. Dr. Wavale further said that the question on which to be researched should basically be understood. Once the question is understood, it becomes easier to determine the objectives of the research. The objectives should also be clear and modest. When setting goals, we have to see whether we can achieve them or not. The relationship between goals and conclusions at the end of the research, making assumptions based on goals. Collecting the necessary information. It is important from whom and which information to collect, which way to use. After the information is collected, the methods of analyzing it, e.g., Creating tables, averaging, and using other statistical methods, etc. Then to see if the assumptions we have made can be accepted. After this, the findings of the research are that we should present exactly what we have discovered by doing the research and what will be the use of it. An important part of this is that we should be able to show a relationship between our goals, assumptions, and conclusions. Get to know these methods and experts so that statistical methods have to be used at different stages in the research. While pursuing the

BA course, Wavale expressed the hope of completing a small research project in addition to the project report. Total 75 students and all faculties were participated in this seminar. The program is over with vote of thanks by Prof. Rakesh Ghode.

देवळा येथे कर्मवीर रामराव आहरे महाविद्यालयात चर्चासत्र

देवळा | प्रतिनिधी

येथील कर्मवीर रामराव आहरे महाविद्यालयाच्या अर्थशास्त्र विभागाने, संशोधन पद्धती व प्रकल्प अन्वयित लेखन या विषयावर एकरिचसीव चर्चासत्र आयोजित केले होते. कार्यक्रमाच्या अध्यक्षस्थानी प्राचार्य हिरेन्द्र आहरे होते. नवीन शैक्षणिक धोरण व अभ्यासक्रम बदलांनुसार, शिक्षकांनी आणि विद्यार्थ्यांनी संशोधन पद्धतीची समिष्ट माहिती करून घ्यावी, नेहमी नवीनमेकांमध्ये वाटचाल करावी तसेच विद्यार्थ्यांच्या आविष्कारांवर संशोधन मशीनवादाती महत्त्व जाणवे असे आवाहन प्राचार्य आहरे यानी केले. शैक्षणिक संशोधन समन्वयक आणि अर्थशास्त्र विभागप्रमुख वपंत भट्टाणे यानी या

चर्चासत्राची भूमिका समन करून महाविद्यालयाच्या व वक्तृयांच्या परिचय करून दिला. आग बदललेल्या अभ्यासक्रमानुसार प्रत्येक विषयासाठी प्रकल्प अहवाल आहे. मात्र संशोधन पद्धतीच माहित नसल्याने विद्यार्थी संभ्रमत पडतात. त्यासाठी चर्चासत्राची गरज महत्त्वाची आहे. डॉ. वाकळे पुढे म्हणाले की, ज्या प्रश्नावर संशोधन करायचे तो प्रश्न मुळात समजायला हवा. एकदा प्रश्न समजला की संशोधनाची उद्दिष्टे निश्चित करणे सोपे जाते. उद्दिष्टे मुळात स्पष्ट व मोडकीच असण्यात होती. उद्दिष्टे निश्चित करताना, तो आपण मादू राहू किंवा नाही हे पहायला हवे. संशोधनाच्या शैलीत उद्दिष्टे व निष्कर्ष याचा संबंध, उद्दिष्टावर आधारित गृहीतके ठरवणे. आवश्यक ती माहिती गोळा करणे. कोणाकडून व कोणती माहिती गोळा करायची, कोणत्या मार्गाचा वापर करायचा हे महत्त्वाचे असते. माहिती गोळा झाल्यानंतर तिचे पृथक्करण

करण्यासाठीच्या पद्धती, उदा. टेबलस तयार करणे, सरासरी काढणे व इतर संख्याशास्त्रीय पद्धतींचा वापर करणे इ. यानंतर आपण ठरवलेली गृहीतके ही नवीकरता येतात किंवा नाही हे पाहणे. यानंतर संशोधनाचे निष्कर्ष म्हणजे आपण संशोधन करून नवी कथ शोधून काढले व त्याचा उपयोग काय होईल हे मांडले पाहिजे. यामध्ये महत्त्वाचा भाग म्हणजे आपली उद्दिष्टे, गृहीतके व निष्कर्ष हवा. संशोधनामध्ये केवळ उद्दिष्टावर टप्प्यावर सांख्यिकी पद्धतीचा वापर करायला यासाठी या पद्धतीची व तंत्रांची माहिती करून घ्या. बी.ए.चा अभ्यासक्रम करताना, प्रत्येक विषयावर लिखित परीक्षा एखादा छोट्या संशोधन प्रकल्प पूर्ण करावा.

4. One day Workshop on ‘Communication Skills in English among the Learners’

One-day workshop was organized on ‘Communication Skills in English among the Learners’ by Department of English, K.R.A. Arts, Science and Commerce College, Deola held on 18th November 2022. The chief guests of the one-day workshop was Prin. Pandurang Bhabad, (Igatpuri College) and Head of English Department Dr. Binnore (KTHM College) inaugurated the workshop by lighting the lamp and worshipping the idol. In the first session, Dr. Bhabad said that English teacher must have command over English language to guide to the students. Also, students are a citizen and a generation maker. Dr. Bhabad thought that English teacher should do various kinds of experiments while teaching English. While communicating with the teachers, they should research why students cannot speak in English and advised teachers to take some efforts related to it. In the second session, Dr. Binnore talked on E-learning and its importance while learning English. He also gave guidance to the teachers on how to teach English through games to students. Hon. Prin. Hitendra Aher was the chairperson of the programme. Administrative officer Dr. M.H. Aher highlighted importance of English to participants. Vice Principal V.M. Joshi, IQAC Coordinator Dr. Bansode, ST Patil Sir, along with various Schools, Secondary and Higher Secondary Teachers, Professors of Deola taluka total 79 participants were present. Head, Department of English Prof. Jalindar Kadu welcomed the guest and stated objectives and aims of the function. He was the Coordinator of the programme. Prof. S.S. Pawar took efforts for successful anchoring of the function. Vote of thanks was expressed by Prof. Hemlata Nikam.

5. National Education Policy

Department of Economics of Kar. Ramraoji Aher Arts, Science and Commerce College Deola organized 2 days (24th and 25th February 2023) State level Seminar on Research and Development Cell: Creation and Establishment: National Education Policy 2020, under the Quality Improvement Scheme of Savitribai Phule Pune University.

The seminar was inaugurated by the President of Kalwan Education Society, Principal Dr. Raosaheb Shinde. On the occasion, he informed about the major strengths and challenges in implementation of the National Education Policy 2020. The Principal of the college, Hitendra Aher, highlighted many necessary reforms in the National Education Policy in the presidential address. Introduction of the seminar was presented by the coordinator Jaywant Bhadane.

The speaker of this seminar Prof. Dr. Eknath Pagar while presenting the vision of National Education Policy 2020: Research and Development, expressed the need for positive attitude of colleges, faculty and students and substantial funding from universities to enable R&D Cell. In this two-day seminar.

Dr. Suhas Aavad expressed his thoughts on Research and Development Cell: Design and Planning. He expressed hope that research related to locality should be done from the college. Dr. Vijayakumar Wawle discussed the topics of Research and Ethical Penalty and National Education Policy and Model for Creation of Research Environment. While criticizing this policy, Dr. Wawle regretted that it was not a scholarly policy and that poor students were not considered. Prof. Kranti Patil discussed regarding the research and commented on the care to be taken while using technology.

In the seminar, Vice Principal and Head of Department of Economics of CHM College Ulhasnagar Dr. Vilas Gaikar guided on patent registration and acquisition process and intellectual property rights. The conclusion was also done in his presence.

Dr. Eknath Pagar presented an analysis of the policy based on the views expressed by the thinkers during the two days. 70 professors from various colleges from across the state were present. Dr. Rakesh Ghode, Dr. Satish Kumar Thakre and Dr. D. K. Aher proposed vote of thanks. Faculties and students of various branches were also present.

6. District Level Skill Self Employment Training Workshop

Devla Education Society's Karmveer Ramraoji Aher Arts, Science and Commerce, College of, Deola, Dist. Nashik and Savitribai Phule Pune University Student Development Board has organized "A District Level Skill Self-Employment Training Workshop" on 10 March 2023. In this workshop, experts from various subjects interacted with the students, youths from rural areas and trained them by developing skills along with college education.

The workshop was inaugurated by Prof. T.B. Khairnar. He guided the students about self-employment. In the introduction, Prof. Jaywant Bhadane reviewed the agricultural business opportunities and narrated the role of the workshop. Student Development Officer Dr. Satish Kumar Thakare also guided to the students.

Mr. Vipin Vasant Tupe gave an insight into the self-employment training program and various schemes of the government. Through this workshop, awareness about skills and self-employment was created among students in rural areas. Various schemes of the government like minimum skill training program for self-employment were discussed. In the concluding session, Krishimitra Prof. M. R. Bachhav reviewed the agribusiness opportunity. Vice Principal Pramod Thackare was present as the chairman for this session. Dr. Rakesh Ghode gave vote of thanks. Students of various colleges were present for this workshop.

7. Workshop on “Soil Testing Campaign”

One Day Workshop on “Soil Testing Campaign” was organized on 21/04/2023. Chief Guests explained the importance of soil testing and crop yield. There are 20 essential plant nutrients, three come from air and water (carbon, oxygen, and hydrogen) and 14 come from the soil. The essential and beneficial elements obtained from the soil. Macronutrients are needed in high quantity, micronutrients are needed in small amounts, and beneficial elements are essential or beneficial to some plants.

Syngenta foundation India have tested free of cost five hundred samples of farmers soil from Deola Taluka. Students and farmers brought soil samples from different areas of Deola Taluka and handover to Syngenta foundation India. After one week they have been distributed results of soil samples to respective farmers. Farmers know the importance of soil testing.
