Remedial Course-Report 2023-24

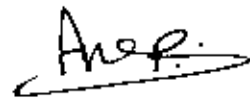

A Brief Report

Remedial Course has been started in the Academic year 2023-24 for F.Y.B.Sc students. At the beginning of the year Multiple Choice Questions test conducted through the Google form along with 12th standard score. Total 39 Students were participated in the test out of which 9 students who got below 50% score considered as a SLOW LEARNERS group and 7 Students who got above 75% score are considered as ADVANCED LEARNERS groups. We have delivered on the lecture for slow learner's students. Advanced learner's students were guided to take part in different online and offline programmes such as Quiz competition, Conferences, Seminars, Webinars etc.

Finally, we arranged online examinations for the slow learners.

After the arrangement of such examination, we come to the conclusion that and noticed as well that the students can bring improvement in their own subjects' knowledge.

Remedial Course-Report 2023-24

A Brief Report

Remedial Course has been started in the Academic year 2023-24 for F.Y.B.Sc students. At the beginning of the year Multiple Choice Questions test conducted. Total 39 Students were participated in the test. 21 students who got below 50% score considered as a SLOW LEARNERS group and 18 Students who got above 50% score are considered as ADVANCED LEARNERS groups. We have delivered on the lecture for slow learner's students. Advanced learner's students were guided to take part in different online programmers such as conferences, seminars, webinars etc.

Finally, we arranged examinations for the slow learners.

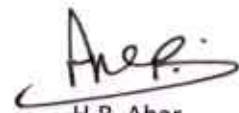

After the arrangement of such examination, we come to the conclusion that and noticed as well that the students can bring improvement in their own subjects' knowledge.

Remedial course in Physics 2023-24

Syllabus

Unit 1. Units and Measurements

Need for measurements, unit of measurements, system of units, S.I. units, fundamental and derived units, significant figures, dimensions of physical quantities, dimensional analysis and its applications .

Unit 2. Rotational dynamics

Torque, angular velocity and angular acceleration. Centre of mass in uniformly distributed object. Moment of inertia and radius of gyration.

Unit 3 . Motion in a plane .

Scalar and vector quantities, position and displacement vectors, general vectors and their notations, equality of vectors, multiplication of vectors by real number, addition and subtraction of vectors, unit vector, resolution of a vector in a plane, rectangular components, scalar and vector product of vectors .

Unit 4 . Fluid Mechanics.

Pressure, absolute pressure and gauge pressure. Pascal's laws. Buoyancy and Archimedes principle. Bernoulli's theorem.

Unit 5. Electric charges and fields .

Electric charges, conservation of charge, coulombs law, force between two point charges, force between multiple charges, superposition principle, and continuous charge distribution .

Unit 6. Elements of modern physics

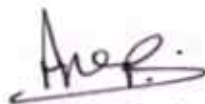

Explanation of atomic spectra, Limitations of Bohr model, Brief review of black body radiation, dual nature of radiation.

Report-2023-24

The Department of English Offers a certificate course 'Spoken English and Personality Development' for the year 2023 -24 from 1 Sep. to 3 Oct.2023 for the student. The syllabus of the course was designed by Prof. J. D. Kadu. In the course students were taught basic day to day relevant conversations, detailed grammar usage, pronunciations and sentence formation techniques. Total 30 hours were conducted to complete this course.

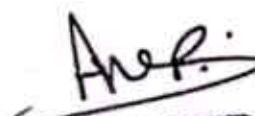

Students were given various activities such conducting group discussions, speeches and at the end of the certificate course examination has been held. In personality development, students were taught body language, interview techniques, self- grooming. Course was conducted by Assistant Prof .H. R. Nikam. Total 46 Students were participated in the course.

ICT is the department maintains and gives access of ICT equipment to the teachers, including a wireless keyboard, mouse, LCD projectors, and computer system with internet. Use of ICT is one of the effective teaching strategies. ICT is useful for developing e-content throughout the teaching and learning process and improving the standard of education.

The institute organizes student seminars to promote the overall development in communication and presentation skills of the students. The students are motivated to use various ICT tools, PowerPoint presentations, etc. to enhance their ICT skills. The teachers of the college used PowerPoint presentations in their teaching by using projectors. Teachers use various websites to prepare effective presentations. Various technical events and co-curricular activities are being organized with the help of information Communication Tools.

Tools Used:

- (a) PowerPoint presentations- Teachers are encouraged to use PowerPoint presentations in their teaching by using LCDs and projectors.
- (b) Online quizzes- are being organized by using Google Forms.
- (c) Lectures- Online lecture are organize using Zoom / Google Meet applications.
- (e) Competitions- Various extracurricular activities are being organized with the help of various information communication tools.

In college, a smart classroom facility has been developed. The college has installed 11 LCD projectors in all science laboratories as well as the seminar hall, three classrooms, IQAC department and competitive exam department. Also, a committee has been appointed by the college to look after the functioning of ICT. The Principal Dr. Hitendra Aher is the chairman of this committee and Prof. Tushar Wagh is working as the coordinator of this committee.

Report of Basic Computer course 2023-24

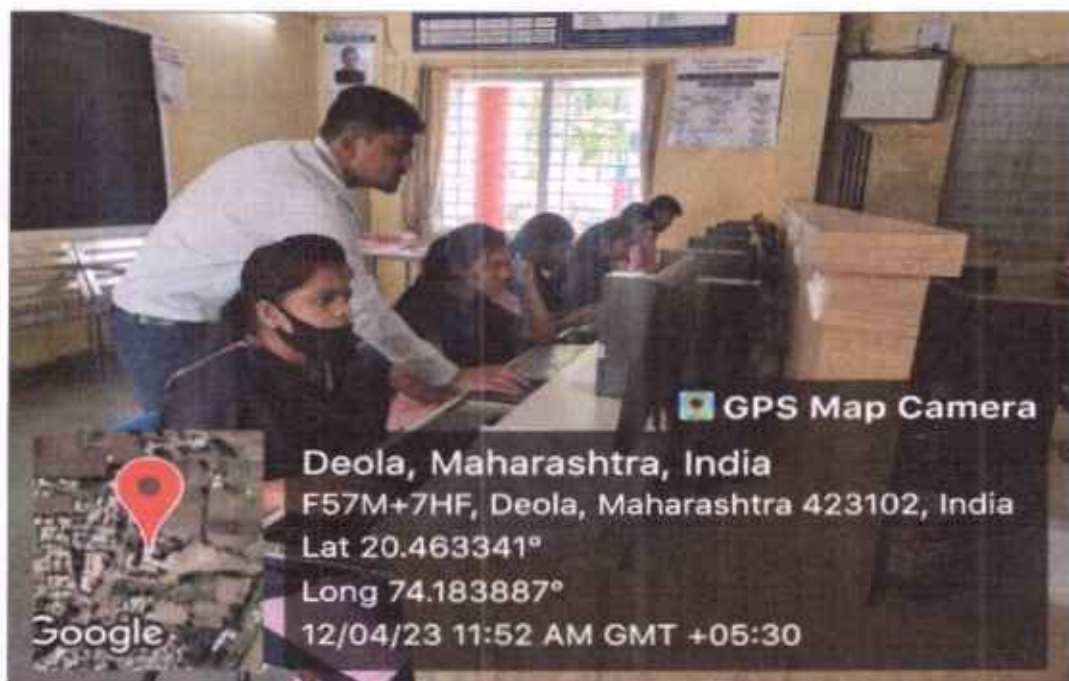

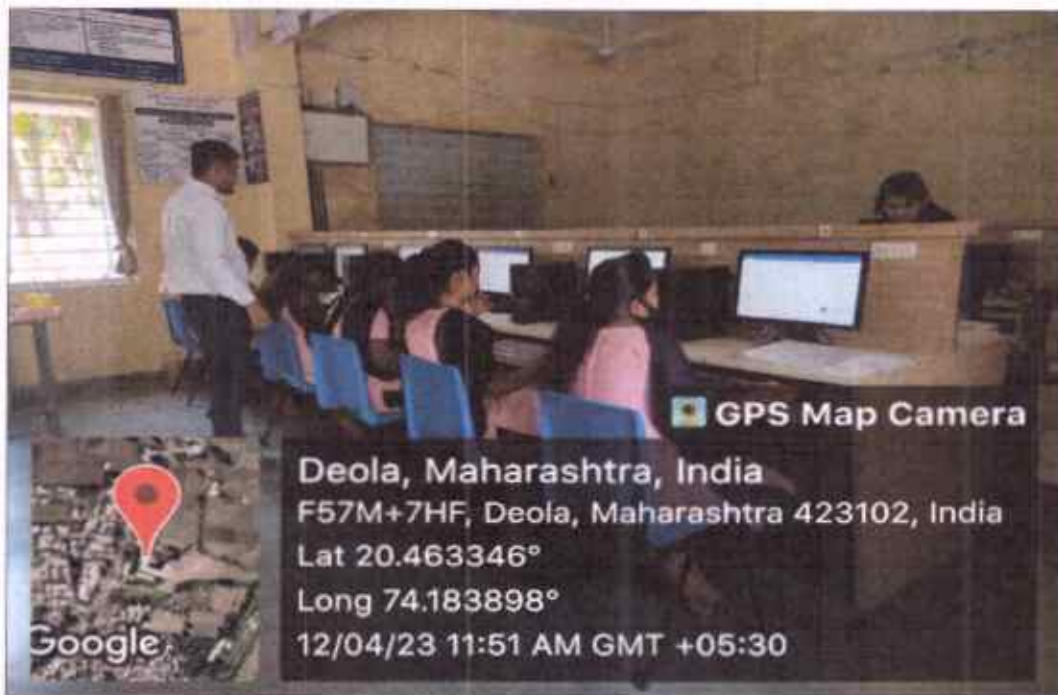

Deola College is a rural and tribal area college near about 40 to 50 villages. Students are coming to this college for higher education. They are from farmer's and labourer's family backgrounds, so they are away from or prohibited from modern information technology. In the age of science and technology, these students remain behind in progress. So, Deola College started the Certificate course in Basic Computers in 2019. Interested students are enrolled in this course.

Introduction to Basic Computer Course, Hardware and Software, Microsoft Word, Microsoft Excel, PowerPoint Presentation, and Knowledge of the Internet, taken within the course of 30 hours. They have given theoretical and practical knowledge of computer applications within the duration of 30 lectures. In the academic year 2023-24, a total of 35 students were enrolled. During the course, students learned a lot of new things about computer knowledge. After the teaching work, the 30-mark examination was conducted on March 18, 2024. In the academic year 2023-24, the result of basic computer courses was 100%.
