Institution facilitates students' representation and engagement in various administrative, co-curricular and extracurricular activities. (Student council/ student's representation on various bodies as per established processes and norms in the year 2022-23)

The Students are actively involved in various activities at college and societal level. The Students Council has not been constituted from the academic year 2016-17 because election programme was not declared due to the process ongoing by the government to change the Maharashtra University Act; there are no instruction for the selection of student's council in this year (2022-23) from Savitribai Phule Pune University and Govt. of Maharashtra.

Students' Council consists of the best students from all areas of the college such as class wise representatives, NSS representative, Cultural representative, sports representative, and two girls' representatives. These representatives elect the secretary of the students' council who represents the college at the University. Apart from this, other students are also involved in various committees as per their expertise. These students regularly suggest upgrading the image of the college in the society.

The Student Council has a significant role in coordinating the key activities of the college. The students are given opportunities to organize various activities like Republic Day, Independence Day, Teachers Day, Sport's Day, Literary events, Social and Cultural events, Wall Paper Exhibition etc. Majority of students are involved and participated in NSS, NCC and Sport's activities. Enough representation is given to the students in the academic and administrative bodies of the college.

The students' council helps in the planning of academic, co-curricular and extra-curricular activities to be conducted throughout the year. Students and their representatives are involved in curricular activities like organization of educational tours, Industrial and field visits, village surveys, project work and exhibitions etc. Students' representation and engagement in Co-curricular and Extra-curricular activities girl's personality development programm, seminars, conferences, workshops, sport events, extra mural activities, campus recruitments, annual social gathering etc. are held through the active involvement of students. Success of extension activities like blood donation camp, cleanliness campaign, tree plantation,

continuous contour trenches, soil and water testing, Social Awareness Rallies, Environmental Awareness Programmes, and Cleanliness Drives and various awareness programs or rallies etc. is due to the active participation of students. Students are nominated on the various academic and administrative committees by the Principal in consultation with HODs. Such as:
