National Cadet Corps

About NCC

National Cadet Corps is a Tri-Services Organization, comprising the Army, Navy and Air Force, engaged in grooming the youth of the country into disciplined and patriotic citizens. The National Cadet Corps in India is a voluntary organization which recruits cadets from High Schools, Colleges and Universities all over India. The cadets have no liability for active military service once they complete their course but are given preference over normal candidates during selections based on the achievements in the corps.

History

NCC is the **World's largest uniformed youth organization**. The motto of NCC is unity and discipline.

The NCC in India was formed the National Cadet Corps Act of 1948. It was raised on 15 be traced back to the 'Corps', which was created under the Indian *Defence Act 1917*, with the objective to make up the shortage of the Army. In 1920, when the Indian Territorial Act was passed, the 'University Corps' was replaced by the University Training Corps (UTC). The aim was to raise the status of the UTC and make it more attractive to the youth. The UTC Officers and cadets dressed like the army. It was a significant step towards the Indianisation of armed forces. It was rechristened in the form of UOTC so the National Cadet Corps can be considered as a successor of the University Officers Training Corps (UOTC) which was established by the British Government in 1942. During World War II, the UOTC never came up to the expectations set by the British. This led to the idea that some better schemes should be formed, which could train more young men in a better way, even during peace. A committee headed by H N KUNZRU recommended a cadet organization to be established in schools and colleges at a national level. The National Cadet Corps Act was accepted by the Governor General and on 15 July 1948 the National Cadet Corps came into existence.

In 1948, the Girls Division was raised in order to give equal opportunities to school and college going girls. The NCC was given an inter-service image in 1950 when the Air Wing was added, followed by the Naval Wing in 1952. Same year, the NCC curriculum was extended to include community development/social service activities as a part of the NCC syllabus at the behest of Late Pandit Jawaharlal Nehru who took keen interest in the growth of the NCC. Following the 1962 Sino-Indian War, to meet the requirement of the Nation, the

National Cadet Corps

NCC training was made compulsory in 1963. In 1968, the Corps was again made voluntary.

During Indo-Pakistani war of 1965 & Bangladesh-Pakistani war of 1971, NCC cadets were second line of defense. They organized camp to assist ordnance factories, supplying arms and ammunition to the front and also were used as patrol parties to capture enemy paratroopers. The NCC cadets also worked hand in hand with the Civil defense authorities and actively took part in rescue works and traffic control.

After 1965 and 1971 wars NCC syllabus was revised. Rather than just being second line of defense, NCC syllabus laid greater stress on developing quality of leadership and officer like qualities. The military training which the NCC cadets received was reduced and greater importance was given to other areas like social service and youth management.

Birth of the National Cadet Corps

The **Kashmir War of 1948** taught a very important lesson to India, that freedom needs to be protected by strong Armed Forces. Its immediate manifestation was that the recommendations of Kunzuru committee were placed before the Constituent Assembly (Legislature) on **13 Mar 1948**. A draft Bill was sent to the Constituent Assembly (Legislative) on 19 Mar 1948, which evoked great interest & enthusiasm amongst all members. After due deliberations & amendments, the Bill was passed by the Assembly on **08 Apr 1948**.

The Central Govt accepted the opinion of the Provincial Govts & the Standing Committee's recommendations for the formation of a Cadet Corps which was to be named as "**National Cadet Corps**", as recommended by the **Kunzuru Committee**. The Bill received the assent of the Governor General on 16 Apr 1948, & the National Cadet Corps came into being by an Act of the Parliament **Act No. XXXI of 1948 designated 'The National Cadet Corps Act 1948'**. This Act with **13 clauses**, prescribed the formation of the National Cadet Corps in India.

The first step in the process of rising of the NCC was setting up of the NCC Secretariat now called Headquarters Directorate General NCC. In fact, even before the NCC Bill was passed by the Constituent Assembly (Legislative), the Ministry of Defence had set up the nucleus of the NCC Secretariat, with Col (later retired as Chief of Army Staff) **GopalGurunathBewooras** first Director of the NCC. He took over as Director of NCC on **31 Mar 1948**.

National Cadet Corps

Inauguration of NCC

The schools & colleges opened after summer vacation & the NCC of Independent India was inaugurated on **15 Jul 1948**. The journey of this Indian youth organization, which has now become the largest uniformed youth organization in the world, had begun. In the year 1948 total of 96 units of Senior Division. Only 20,000 cadets had joined the NCC in the year 1948. Thus the NCC which has now **13 lakh cadets** on its rolls, had started with 20,000 cadets in 1948.
